About the event

An intimate evening with SLIM JIM PHANTOM of legendary Stray Cats with special guests The Forty Nineteens. "In the vineyards, under the stars." LIMITED TO ONLY 200 PEOPLE!

Slim Jim Phantom has secured his place as a true rock 'n' roll icon. From legendary Stray Cats with hits such as: Rock This Town, Stray Cat Strut, Sexy and 17, Runaway Boys, Look At That Cadillac and more, Phantom, alongside band mates Brian Setzer and Lee Rocker, spearheaded the neo-rockabilly movement of the early 80s.

With a love for 50s rock 'n' roll, the Stray Cats took inspiration from that bygone era and mixed with their youthful energy and aggression produced the updated hard-edged rockabilly sound that saw them conquer London, Europe and later the U.S., gaining fans among the likes of Keith Richards, Mick Jagger and Robert Plant along the way.

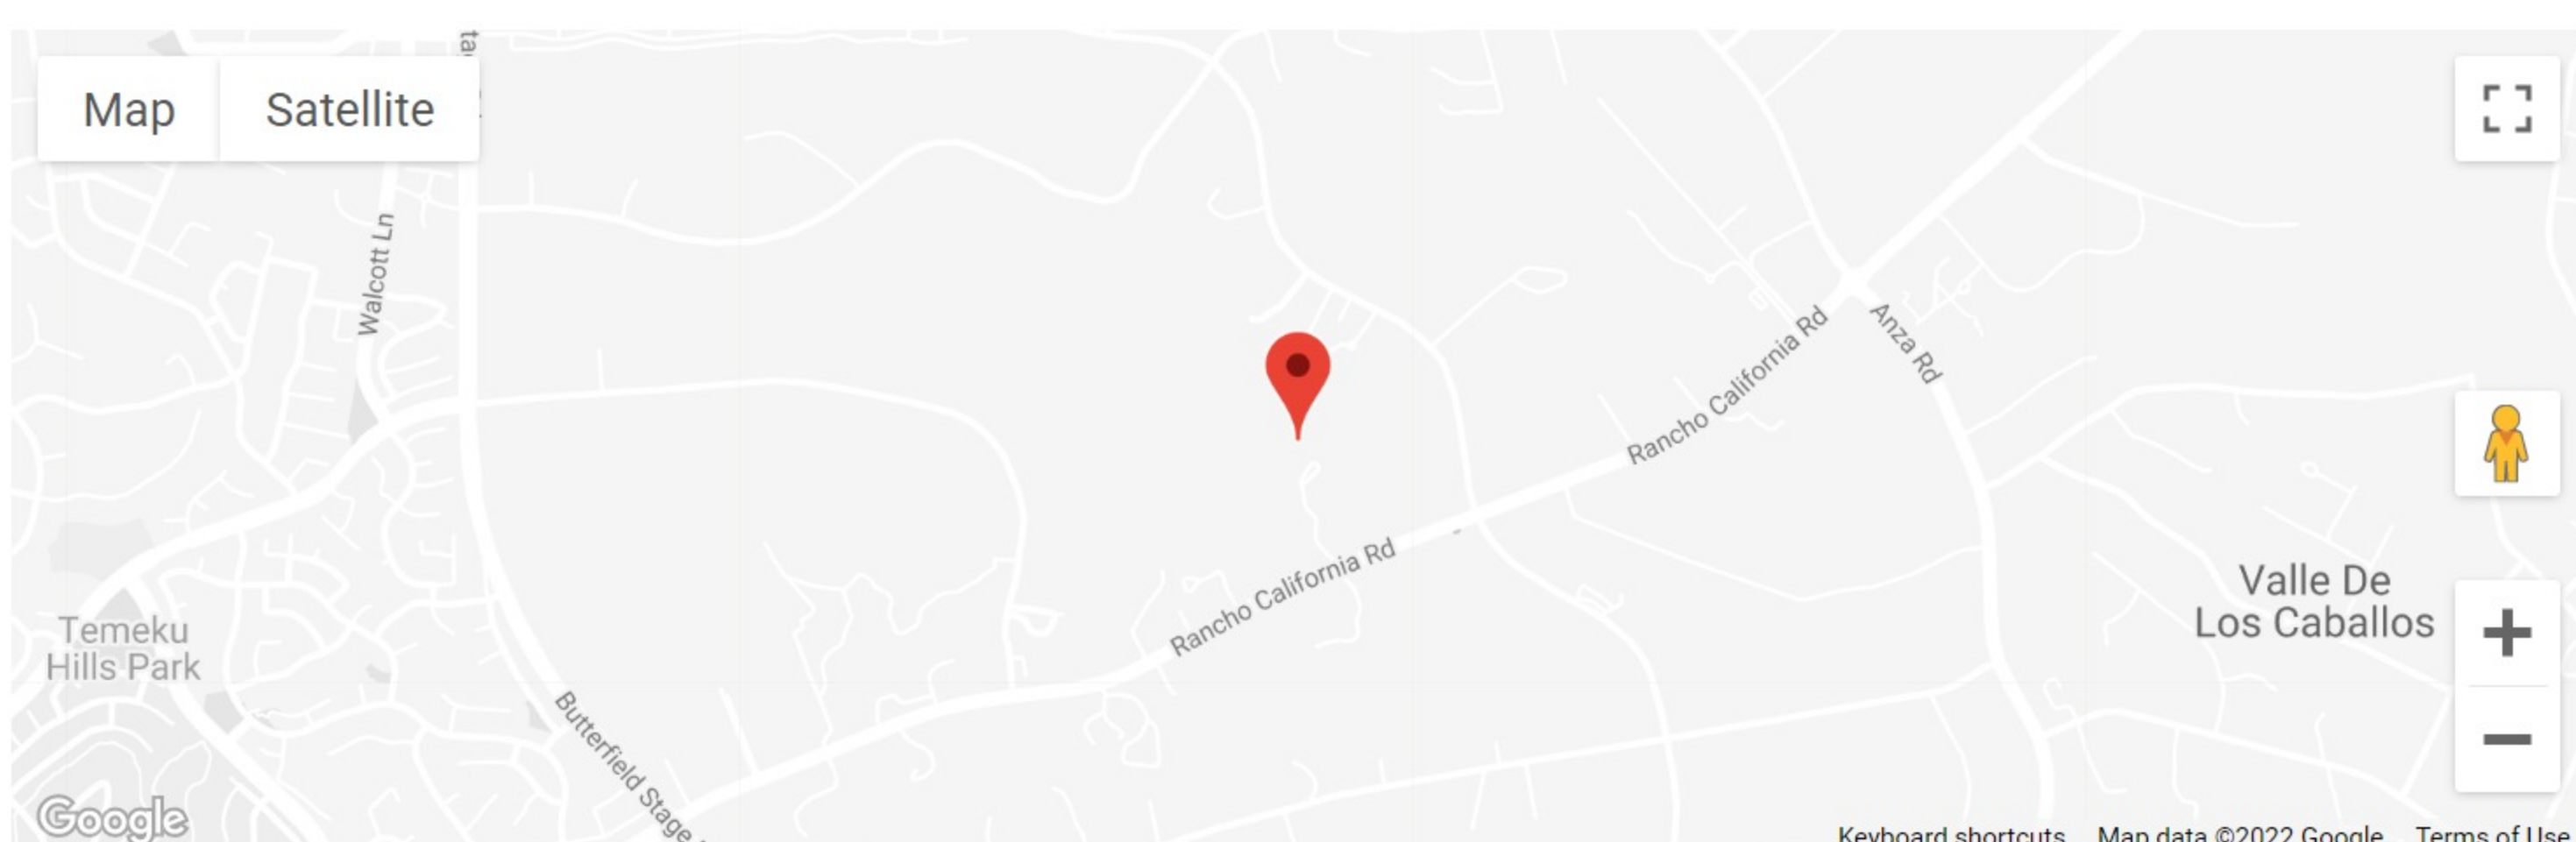

Doors open at 6pm. First band starts at 6:15pm. Please bring your own chairs (or dance all night). Food available until approximately 7:30pm. Tickets are not mailed, just check in at the gate. THANK YOU!
